

Sing a Song of Brushing!

This is great silly fun, and is a fun way for kids to practice making those little circles with their "pretend toothbrush." *Note: (chchchh, chchchchchh) – those are brushing sounds.

"When you wake up in the morning and it's quarter to one,
Everyone's asleep and you want to have fun . . . you brush your teeth!"
(chchchh, chchchchchh)

"When you wake up in the morning and it's quarter to two,
Everyone's asleep and there's nothing else to do . . . you brush your teeth!"
(chchchh, chchchchchh)

"When you wake up in the morning and it's quarter to three,
You're getting so bored and humming twiddledeedee . . . you brush your teeth!"
(chchchh, chchchchchh)

"When you wake up in the morning and it's quarter to four,
You think you must have heard a knock at the door . . . you brush your teeth!"
(chchchh, chchchchchh)

"When you wake up in the morning and it's quarter to five,
And you just can wait anymore to come alive . . . you brush your teeth!"
(chchchh, chchchchchh)

"You brush your teeth!" (chchchh, chchchchchh) [quieter]
You brush your teeth!" (chchchh, chchchchchh) [even quieter]
You brush your teeth!" (chchchh, chchchchchh) [whispering]
